

18 Characteristics of the Doctoral of Engineering Program at Lamar University													TOTAL
1. Number of degrees Awarded per year													4
Rolling Three-year average number of degrees awarded per year.													
2. Number of degrees Awarded in less than 10 years													100%
Rolling Three-year average of the percentage of first year doctoral students who graduated within ten years.													
3. Average number of years to obtain degree													3.8
Rolling Three-year average of the registered time to degree of first-year doctoral students within a ten year period.													
4. Number employed in field within one year of graduation													
Percentage of last three years graduates employed within one year.													
Academia (A)													13%
Post Docs (PD)													0%
Industry (I)													88%
Government (G)													0%
Seeking Employment in Texas (SET)													0%
5. Admission criteria													
6. Percentage of full time students (FTS) with financial support													100%
Number of full time students with financial support/number enrolled in prior year/number of FTS.													
7. Average Financial Support Provided													\$29,228
For those receiving financial support, the average financial support provided per FTS including Tuition rebates.													
8. Student - Core Faculty Ratio													0.85
Rolling three-year average of full-time student equivalent (FTSE) / rolling three-year average													
full-time faculty equivalent (FTFE) of core faculty.													
Total FTFE =													116
Total FTSE =													99
9. Core Faculty Publications													4.08
Rolling three-year average of the number of discipline-related refereed													

papers/ publications, book chapters, patents, books per year core faculty member.													
10. Core Faculty External Grants													
Rolling three-year average of: the number of core faculty receiving external funds, average external grant per faculty, and total external grant per program academic year													
Average number of core faculty with external funds										28			
Average annual amount of external grant funds per core faculty member.										\$140,266			
Total amount of external grants per academic year.										\$3,974,217			
11. Percentage Full-Time Students													
Rolling three-year average of FTS(≥ 9 SCH)/number students enrolled (headcount) for last three fall smesters.													
										68%			
12. Number of Core Faculty													
Number of core faculty in the prior year													
										39			
13. Faculty Teaching Load													
Total number of semester credit hours in organized teaching courses taught per academic year by core faculty divided by the number of core faculty in the prior year													
										9.79			
14. Faculty Diversity													
Core faculty by ethnicity (White, Black, Hispanic, Other) and gender, updated when changed										White		16	
										Black		0	
										Hispanic		1	
										Other		15	
										Female		3	
										Male		36	
15. Student Diversity													
Enrollment headcount by ethnicity (White, Black, Hispanic, Other) and gender in program in prior year										White		5	
										Black		1	
										Hispanic		1	
										Other		40	
										Female		8	
										Male		31	
16. Date Of Last External Review													
Date of last formal external review, updated when changed										THECB = 1989		ABET FALL 2019	

17. External Program Accreditation							ABET:UG Program Through Fall 2019					
Name of body and date of last program accreditation review, if applicable, updated when changed										SACS: 2009 through 2019		
18. Student Publications/Presentations							0.6					
Rolling three-year average of the number of discipline-related referred papers/ publications,												
juried creative/performance book chapters, books and external presentations per year per student
