

Hussein Almallahi

Research

Research Interest

Engineering Education

Control Systems

Teaching:

Courses taught:

ELEN 2411 Circuits I

ELEN 3310 Fundamentals of Engineering

ELEN 3312 Circuits II

ELEN 3421 Electronics I

About Me

Education

Master of Science degree in Electrical Engineering, New Mexico State University, Las Cruces, New Mexico, 1990

Bachelor of Science degree in Electrical Engineering, New Mexico State University, Las Cruces, New Mexico, 1988

Academic Experience

- 2015 – Present, Instructor, Lamar University, Beaumont, Texas
- 2012 – Present, Adjunct Faculty, San Jacinto College North, Houston, Texas
- 2001 – 2012, Instructor, United Arab Emirates University, Al Ain, UAE
- 1999 – 2001, Instructor, Hail University, Hail Saudi Arabia
- 1995 – 1999, Instructor, United Arab Emirates University, Al Ain, UAE
- 1991 – 1995, Instructor, Prairie View A&M University, Prairie View, Texas
- 1993, Summer Faculty Research, U.S. Edwards Air Force Base, Chandler, Arizona

Professional Organization Memberships

2013 – present, IEEE Member

2013 – present, Lamar University Student Branch Advisor

Awards & Honors

- Outstanding Faculty Award, College of Engineering & Architecture, Prairie View A&M
- Outstanding Faculty Award, College of Electronics Engineering & Instrumentation, Hail Community College 200 -2001
