STUDENT PARTICIPANT INFORMATION

The Engineering Career Fair serves as a formal career opportunity exclusively for students majoring in the College of Engineering.

Invitations to this esteemed event will be extended to students who meet the specified criteria, including:

- Students who maintain a GPA of 2.8 or higher
- Undergraduate students with 30+ cumulative
- Sophomore, junior, and senior level

Payment Information

The cost of this event is \$500 (for profit) and \$250 (non/not for profit) per booth.

Please make checks payable to Lamar University

Send to:

Lamar University College of Engineering
Attn: Engineering Career Fair, Karli Padia
PO Box 10057
Beaumont, TX 77710

Or pay by credit card at lamar.edu/engcareerfair

If you would like to send any displays or promotional items for your table in advance you may send it to:

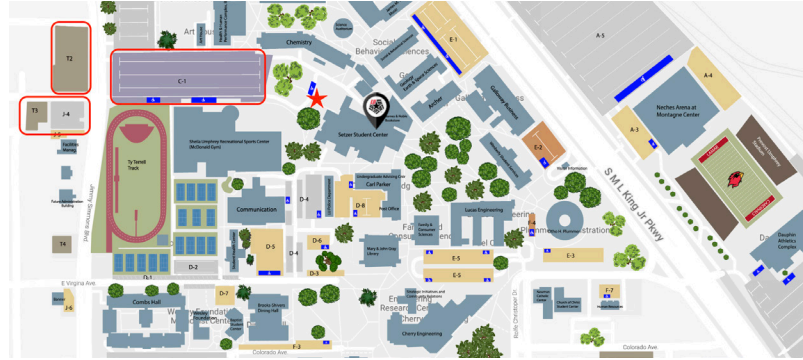

Attn: Engineering Career Fair (Karli Padia)
Cherry Engineering Building, Suite 2000
1050 East Lavaca
Beaumont, Texas 77705

***Please include your company name and the event that the items are for**

PLEASE NOTE

You can access the campus map through [this link](#).

Additionally, I've included a screenshot with a marker pinpointing the **Setzer Student Center** for your reference.

Parking permits for this event are included in this packet. Please affix the colored permit visibly on your dashboard. The provided parking permit grants access to parking in ANY lot. The nearest parking lots are C-1, C-2, T2, T3, J-4, and E-1. Lots T2 and T3 will be reserved for this event, with a shuttle service running to and from the Setzer Student Center.

BEFORE PARKING use the circle drive outside the Setzer Student Center, located between the building and lot C-1, to unload your items with a College of Engineering representative. I've marked the circle drive with a red star in the image above.

FROM I-10/69 NORTH Take 69 South. Exit at Lamar University/MLK Parkway. Merge onto MLK Parkway. At the first traffic light turn left onto Florida Avenue (Jim Gilligan Way). Proceed through the first stop sign at Rolfe Christopher Drive. Turn right at the next stop sign onto Jimmy Simmons Blvd. and continue through two more stop signs. Turn right into parking lot C-1.

FROM DOWNTOWN/MLK PARKWAY Take the Lamar University exit and turn right at the stop sign onto Lavaca. Turn left at the next stop sign onto Jimmy Simmons Blvd. Turn left at the second median into parking lot C-1.

FROM MID-COUNTY/69 SOUTH Take 69 North. Exit at Lamar University/MLK Parkway. Merge onto MLK Parkway. Take the Lamar University exit and proceed through the first stop sign. Turn left at the second stop sign and proceed through the next stop sign onto Lavaca. Turn left at the next stop sign onto Jimmy Simmons Blvd. Turn left at the second median into parking lot C-1.

*Upon your arrival, a representative from the Student Engineering Council or an Engineering Ambassador will welcome you and furnish you with a venue layout plan as they accompany you to your designated table. Individuals wearing a **red LU Engineering polo shirt** will be readily available to assist you at any time throughout the day.*

Thank you for participating in the Fall 2023 Engineering Career Fair!
